

**CUSTOMER DATA**  
**AGREEMENT OF USE**

I authorise Performance Monitoring Systems Limited trading as Redkite Systems to use the data supplied by **XXX** and held in the database of the Redkite application(s) in accordance with the principles of the General Data Protection Regulation (GDPR) in addition to the rules outlined in this agreement.

I, an authorised person employed by **XXX** authorise the data to be used for the following purposes only:

- For use by members of the Redkite Systems development team to undertake system enhancements
- For use by members of the Redkite Systems development team for internal User Acceptance Tests
- For use by the Redkite Systems support and development team to investigate any problems found during Acceptance Testing
- For use by the Redkite Systems support and development team for system testing
- For use by the Redkite Systems support team for System support team training
- For use by the Redkite Systems support and development team to investigate problems reported
- For use by **XXX** authorised personnel

Period of Data Retention

I authorise Redkite Systems to retain the data supplied from the date of this agreement and for the purposes agreed.

Use of Data

The data will be stored on a server accessible only by members of the Redkite Systems support and development team and authorised users approved by **XXX**.

The data provided by **XXX** will be used solely for the purposes you have specified in this agreement.

All copies of the data will be returned to **XXX** when the agreement period end has been reached and we will write to you to confirm this has occurred.

On behalf of **XXX**
